A.SPIRE announces to all its members and other interested parties that the European Commission is organizing the 2023 Horizon Europe Info Days for Cluster 4 on the 11th and 12th of October. The Info Days are complemented by a brokerage for industry organized by the project NCP4INDUSTRY on the 19th of October. Both events will be online only.

The Horizon Europe Info Days for Cluster 4 aims to inform potential applicants about the funding opportunities of the 2024 calls of Horizon Europe Cluster 4 'Digital, Industry and Space' Work Programme 2023-2024. During the 2-day event, speakers from the European Commission will present the call topics, the evaluation and the award process. Potential applicants will have an opportunity to ask questions. **Registration and more information can be found in the event's webpage.**

The project NCP4INDUSTRY will complement the Info Days with a virtual brokerage. The

brokerage will focus on three Partnerships: **Processes4Planet**, Made in Europe, and Clean Steel Partnership. The topics targeted are:

- Advanced green and digital technologies for manufacturing
- Climate neutral energy intensive process industries
- Hubs for circularity
- Disruptive Technologies for Construction Sector
- Raw Materials for EU open strategic autonomy and successful transition to a climate-neutral and circular economy
- Safe and Sustainable by Design (SSbD) Chemicals and Materials
- Strategic innovation markets driven by advanced materials
- Improving the resilience of EU businesses, especially SMEs and Startups

Registration and more information on the brokerage can be found in the event's webpage.
