Euroheat & Power and DHC+ Technology Platform are organising a Brokerage Event targeting organisations interested in heating and cooling, energy efficiency, integrated energy systems and renewable heating sources. The programme will focus on EU funding opportunities and in particular on the new Horizon2020 energy work programme for 2016-2017.

The event will take place on the **7th October 2015** at Sheraton Brussels Hotel. Registrations are done via the event website. A discounted rate of EUR 41.32 (excl. VAT) for members and 70.25 (excl. VAT) for non-members applies if registered before 15 September.
