

A.SPIRE

Post date:

17/02/2026 - 14:16

A.SPIRE is seeking an external supplier for the development, drafting and refinement of the new Strategic Research and Innovation Agenda (SRIA) for the future European Innovation Partnership (2028–2034), and its related deliverables.

Scope of the assignment

The assignment consists of rounds of consultations and collaboration with A.SPIRE Working groups (WGs) and Advisory and Programming Group (APG) to capture content, structuring and categorising input from WGs, and writing a document that defines actions to implement the A.SPIRE 2040 Vision (currently under development).

The selected supplier will support A.SPIRE in the planning, coordination, development, writing and delivery of the SRIA through a structured methodology and a collaborative process.

Key objectives include:

- Collaborate with A.SPIRE, its Working Groups and Advisory and Programming Group
- Plan and structure the SRIA process
- Design, write and produce a coherent, consistent and high-quality Processes4Planet new SRIA
- Produce and finalise the SRIA, deliverables and supporting materials

Interested in applying?

Please submit your proposals! **For details and submission instructions, please refer to the official call documentation.**

An annexe providing additional information will be shared with interested candidates upon request.

Proposals must be submitted by 2 March 2026.
