CIRMET team would like to announce the creation of **Special Interest Group (SIG)**, activity which is part of the CIRMET project coordinated by TECNALIA under the call topic SPIRE-03-2018).

The objective of Special Interest Group (SIG) of the CIRMET Project is to form a community within a different types of organizations with a shared interest in advancing a specific area of knowledge, learning or technology where members cooperate to affect or to produce solutions within their particular field, and may communicate.

CIRMET team kindly invite you to complete the following form and we are looking forward to hearing from you.

CIRMET Team.

CIRMET - Innovative and efficient solution, based on modular, versatile, smart process units for energy and resource flexibility in highly energy intensive processes.
