The incoming Croatian Presidency of the Council of the European Union, together with the Industry4Europe Coalition, has the pleasure of inviting you to attend a high-level event on The longterm strategy for Europe's industrial future.

This event will take place in Brussels on 21 January 2020. It will be held at the Hotel Renaissance (Rue du Parnasse 19) between 15:00 and 17:30. Discussions will be followed by a cocktail reception at the same location.

This event is organised as the European Commission prepares a new EU industrial strategy announced by President Ursula von der Leyen. It is intended to bring together high-level representatives of the EU Institutions and Member States (including Ambassadors and Deputy Permanent Representatives, Members of the European Parliament, senior officials from the

European Commission and the General Secretariat of the Council) and representatives of numerous industrial sectors.

You can already register online by clicking [here](#). Should you have any questions about the event, please send an email to: contact@industry4europe.eu.
