

## Projects

Post date:

14/02/2020 - 14:46

IMPROOF workshop on 16th Global Congress on Process Safety has been announced and will be rescheduled on Sunday 16 August 2020 at the Marriott Marquis in Houston, Texas (USA). The discussion aims to present the project results and outcomes with a particular attention to new capacity and improvements of the plant productivity with an explanation of materials, pilot results and tube production in relation to the reduction of CO<sub>2</sub> emissions. Attendance is free of charge, but registration is required:
