The Information Day on contractual PPPs - Sustainable Process Industry, Factories of the Future, Energy-efficient Buildings, Green Vehicles - will take place on 16 October 2015 in Brussels.

A specific session dedicated to the SPIRE PPP will take place on Friday 16 October. It will be followed by a brokerage and networking event, supported by the SPIRE Association, during which interested stakeholders will have the opportunity to present their initial project ideas for the 2016-17 SPIRE calls and meet potential partners.
