

SPIRE

Post date:

21/06/2015 - 00:00

The 3rd SPIRE PPP Brokerage event will take place on the 30th June 2015 together with two side events – SMEs Open innovation brokerage "SPIRE event - Connecting Innovative Small and Big Businesses" and SPIRE 2014 projects introduction event on the 29th June 2015.

This brokerage event will offer a networking space to exchange the latest information on the Horizon2020 work programme for 2016-2017, present innovative ideas to potential partners, meet prospective partners and start building consortia from industry and academia. This year, the programme is complemented with two side events, taking place in parallel, on 29 June 2015:

- **CONNECTING INNOVATIVE SMALL & BIG BUSINESSES** - This workshop will bring together stakeholders from small and large companies and allow them to identify and engage in new innovation and business opportunities based on novel technologies in process industry. **If you are a SME and you have an interesting business idea tackling SPIRE issues, please contact us at info@spire2030.eu**
- **INTRODUCING THE SPIRE-2014 PROJECTS** - This side event will give a valuable snapshot on the objectives and expected deliverables of the first series of SPIRE projects. It will also help create synergies and added value between projects, between various partners, companies, organisations and beyond. **Register here** before 12 June!

For more information, including how to become a member of A.SPIRE, please send an email to info@spire2030.eu.
