We are pleased to invite you to attend the **SPIRE Stakeholders' Event**, which will take place on **Tuesday 3 December** at the **BluePoint Conference Center in Brussels**, where the **next strategic SPIRE 2050 Roadmap** will be discussed.

We would very much appreciate your contribution and your feedback on the topics that are discussed in the SPIRE 2050 Roadmap as well as voicing your thoughts on any additional aspects to consider. The main purpose of the Stakeholders' event will be to:

- **Discuss** the SPIRE 2050 Roadmap in the perspective of Horizon Europe and in the context of regional and national priorities/programmes;
- **Validate** the SPIRE 2050 Roadmap and its ambitions, milestones and expected impacts; and
- **Establish** strong collaboration agreements with existing and potential SPIRE sectors, regions and other stakeholders

Please find the latest **agenda here**.

To register for the event, we kindly ask you to do it so before **Friday 22 November EOB**.

Please note that due to the expected high participation and limited number of seats, we have a limit of two representatives per organization.

Thank you in advance for your consideration and looking forward to meeting on 3 December!
