

SPIRE

Post date:

27/11/2012 - 00:00

A new version of the SPIRE Roadmap is now available online. This version takes into account the comments and suggestions received from the wide stakeholder community during the public consultation (July – October 2012). For a short summary of it, check out Annex I of the updated version.

The Roadmap is now open for public validation from November 28 until December 15, 2012.

For comments, send an email to lgh@spire2030.eu
